

*“The first and best decision we made was to put **Harlequin Cascade**® in all of our studios.”*

“Since 2005, the Ballet Theatre of Toledo has been leading, training, and equipping, world-class dancers. The first and best decision we ever made was to put **Harlequin Cascade**® in all of our studios. Nearly 10 years later, after classes and rehearsals 7 days a week, the floor looks good as new! I have danced and taught all over the world and nothing beats Harlequin flooring for the finest professional training. Ballet Theatre of Toledo is continuing its rich performing tradition with rehearsals of ‘The Nutcracker’ on **Harlequin Cascade**® and using portable **Harlequin Reversible**® flooring for our touring performances.”
