

The health and safety of our dancers, families, and community are very important to all of us at Ballet Theatre of Toledo. We have a civic responsibility to protect and support each other at this difficult time. All ballet classes effective immediately are canceled for the next two weeks. We will re-access the situation at that time.

Currently, we are working on options to make-up classes. We certainly encourage you to continue stretching and conditioning at home. We are looking forward to seeing everyone back at BTT as soon as conditions improve.

Please e-mail us at: info@ballettheatreoftoledo.org with questions.
